written 2 500 years ago by chinese general sun tzu the art of war is a masterpiece of military strategy still in use in war colleges around the world yet its principles transcend warfare and have practical applications to all the conflicts and crises we face in our lives in our workplaces our families even within ourselves thomas huynh guides you through sun tzu s masterwork highlighting principles that encourage a perceptive and spiritual approach to conflict enabling you to prevent conflicts before they arise peacefully resolve conflicts when they do arise act with courage intelligence and benevolence in adversarial situations convert potential enemies into friends control your emotions before they control you

have we completely missed the point of the modern western revolution in the arts hugh moss thinks so and here he presents a refreshingly original and thought provoking new approach to understanding art it not only makes sense of western art over the past century or more but applies equally to the art of any culture at any time all within one enlightening framework that well works this new perspective is impossible to ignore a theory that places art right at the centre of the evolution of human consciousness as a key driver of the process argued with intelligence panache and wit the art of understanding art provides a delightfully entertaining read that will change the way you think about and look at art whether you are a collector or would like to be a connoisseur an academic a student or of course an artist or would like to be it is illustrated with intriguing skill depth and humour by peter suart

from t j clark comes this provocative study of the origins of modern art in the painting of parisian life by edouard manet and his followers the paris of the 1860s and 1870s was a brand new city recently adorned with boulevards cafes parks great exhibitions and suburban pleasure grounds the birthplace of the habits of commerce and leisure that we ourselves know as modern life a new kind of culture quickly developed in this remade metropolis sights and spectacles avidly appropriated by a new kind of consumer clerks and shopgirls neither working class nor bourgeois inventing their own social position in a system profoundly altered by their very existence emancipated and rootless these men and women flocked to the bars and nightclubs of paris went boating on the seine at argenteuil strolled the island of la grande jatte enacting a charade of community that was

to be captured and scrutinized by manet degas and seurat it is clark s cogently argued and profusely illustrated thesis that modern art emerged from these painters attempts to represent this new city and its inhabitants concentrating on three of manet s greatest works and seurat s masterpiece clark traces the appearance and development of the artists favorite themes and subjects and the technical innovations that they employed to depict a way of life which under its liberated pleasure seeking surface was often awkward and anxious through their paintings manet and the impressionists ask us and force us to ask ourselves is the freedom offered by modernity a myth is modern life heroic or monotonous glittering or tawdry spectacular or dull the painting of modern life illuminates for us the ways both forceful and subtle in which manet and his followers raised these questions and doubts which are as valid for our time as for the age they portrayed
